PROFILE

Hello! My name is Yaroslav Horokhovets, and I am an individual developer, based in Ukraine. I am a full-stack developer with 7+ years of experience. I have strong technical skills in PHP, Laravel, HTML, CSS, and React JS. I am looking forward to your positive response. I'd absolutely love to build a website for you, and I'm pretty sure we'd make a great partnership. Moreover, I have extensive experience in this field. I will be glad to discuss your project in the chat. Looking forward to hearing from you. You can be sure that we will complete your project with the highest quality.

After all, I will bring you the competitive and relevant result that you're looking for and it might bring us futuristic cooperation in this field. I will pose a reasonable and receptive budget and timeline that you can buy into. As I am excited about this opportunity, I am thankful if I might have a chance to talk with you via chat.

Best Regards
